

axles bearings flanges

Using only the finest

materials, we produce our own range of axles and bearing flanges to suit all makes of karts.

All our bearing flanges are produced on the latest CNC machinery to ensure the closest tolerances are achieved and maintained.

Rubber Sealed type bearings

- AXB25**• (25mm) •**HKAX01**• (30mm)
- Rubber sealed type for low maintenance and long life

Grub Screws

- AXGS**•
Replacement grub screws for 25mm, 30mm, 35mm bearings
- AXGS/6**•
'Carded' version, qty 6

- AXGS40**•
Grub screws for 40 & 50mm bearings
- AXGS40/6**•
'Carded' version, qty 6

Free spinning bearings

- AXB30**• (30mm) •**AXB35**• (35mm)
 - AXB40**• (40mm) •**AXB50**• (50mm)
 - AXB50C**• (50mm, to suit 40mm bearing flanges)
- Low drag, shielded type offering minimal rolling resistance

For a full listing of our axles, consult the table on the following page, the DPE Price List or www.dpeng.com.au

Axle Bearing Flange – Purple

•AXQ40P• 40mm purple, to suit AXB40 or AXB50C

Unique one-piece slotted design allows for handling adjustment by adjusting bolt tension. Machined from solid billet alloy – includes extra 8mm hole for seat stay

Smart Axle Tuner Set

•AXT• 40mm

The innovative way to 'tune' your rear axle. Simply insert the Smart Axle Tuners inside the axle to stiffen it in the middle, or at either or both ends.

Axle Bearing Flange – Gold

•AXQ40• 40mm gold

Machined from solid billet alloy, for all 40mm karts – includes extra 8mm hole for seat stay

Alloy Bearing Flange

AXQ35• 35mm

Cast alloy bearing flange, including extra hole for seat stay

Axle Bearing Flange Set – Steel

•AXBFL25• 25mm
•AXBFL30• 30mm

Pressed steel, 2 per set

Alloy Bearing Flange

•AXQ30• 30mm gold
•AXQ30P• 30mm purple

Machined solid billet alloy bearing flange, including extra hole for seat stay

Keysteel

Available in long, short and pegged styles
See below for details

Code	WxHxL
•AXK•	6x6x59mm
•AXK300•	6x6x300mm
•AXK8•	8x6x60mm
•AXK85•	8x5x60mm (for use with European manufactured hubs)
•AXK8P•	8x3x50mm (pegged)
•AXK50P•	8x3x50mm (pegged, for use with 50mm axle)

Also available as a 'carded version' – refer to price list for correct part number

Alloy Quick Change Bearing Flange

•AXQ25• gold
•AXQ25P• purple

Allows 30mm axle to be fitted to chassis with 25mm bearing hangers
