

CARBURETTOR

Rotax 125 Max
Carburettor
•ERWCA10•

The Rotax 125 Max is now a worldwide phenomenon. The engine and all its components are designed for ease of use, and this includes its Dellorto carburettor. The slide carburettor is easy to adjust and set up, allowing every driver to concentrate on racing whilst on the track.

Numbered parts (in exploded diagrams only) are for easy cross referencing with DPE Price List. Consult Price List for complete listing of product codes, sizes etc.

ORS

DPE are authorised Australian distributors for both Walbro and Tillotson – the two most commonly used carburettors in karting worldwide. This ensures we always have the parts you want in stock and at competitive prices.
