

CHASSIS PA

DPE not only manufactures and supplies parts for our own Arrow karts, but have a range of universal chassis parts to suit most other kart chassis'. Our large manufacturing and purchasing power enables us to offer competitive pricing on our whole range of kart products, *EVEN TO OTHER KART MANUFACTURERS!*

So, no matter if it's a part shown here, on the previous exploded picture, or anywhere else in this catalogue, don't hesitate to contact us regarding your requirements. Whether you're after one piece or a thousand, we're here to help you...
