DENSO SPARK PLUGS

Denso is one of the world's largest manufacturers of components for motor vehicles. Their range of spark plugs includes those for special performance applications, such as kart racing. Denso products have been proven on roads and race tracks around the world for almost 50 years.

Denso Spark Plugs

- SPPNP29• (W29EPT)
- SPPNP31• (W31EPT)
- SPPN24• (W24ES-ZU)
- SPPN27• (W27ES-ZU)
- SPPN29• (W29ES-ZU)
- SPPN31• (W31ES-ZU)

'EPT' indicates platinum racing type plugs, with platinum ground electrode and copper cored centre electrode

'ZU' indicates platinum racing type plugs, with platinum ground electrode and platinum tip centre electrode

PLUGS

accessories

NGK Spark Plugs and related ignition products are renowned throughout the motorsport world for quality, power and performance. NGK's superior manufacturing processes and construction materials ensure optimum electrical performance in every engine.

NGK Spark Plugs

To suit Rotax FR125 Max:

- SPPEGV08• (B8EGV)
- SPPEGV085• (B85EGV)
- SPPEGV09• (B9EGV)
- SPPEGV095• (B95EGV)
- SPPEGV10• (B10EGV)
- SPPEGV105• (B105EGV)
- SPP8• (B8EV)
- SPP9• (B9EV)

To suit Comer S-80:

- SPPEIX08• (Iridium)
- SPPEIX09• (Iridium)
- SPPEIX10• (Iridium)
- SPPEGP95• (B95EGP)
- SPPBPM6A• (BPM6A)
- SPPBPM7A• (BPM7A)

*'EV' indicates plugs with gold palladium construction
'EGV' indicates racing plugs with gold palladium construction*

NGK Spark Plug Lead Joiner

- SPP04•
- SPP04/1• *Carded version*

NGK Spark Plug Lead/Cap Assembly

- SPP03•
